A program for children and adults with mental and physical disabilities.

MAY 24-27, 2020 OR MAY 27-30, 2020

Shepherding Sheep

The Shepherding Sheep Program at Camp Wartburg is an experience designed to get children and adults with disabilities outdoors and in an environment of interaction with others. Camp Wartburg's participant to counselor ratio is one-to-one or one-to-two staff/volunteers per child/adult.

Camp Wartburg is a wonderful environment, which enables campers to be themselves, enjoy the outdoors, and participate in fun activities. There is focused attention on the individual, which makes them feel special for the time they are at Camp.

Our key focus is providing your child/adult with a one-of-a-kind adventure. Each day is filled with swimming, archery, canoeing, fishing, hiking, and other activities, all tailored to meet the needs of your participant.
