Create Your Own Camp

Do the programs offered here sound fantastic but happen to be at an inconvenient time? For groups of 10 or more campers, we can arrange to provide a customized experience for you. Registration fees vary, depending on your chosen activities. Please contact Noah Jost for more information.

NOTE: You must contact Camp at least one month in advance of your desired program dates.

First Flight

Are you a first-time camper? If so, this program is for you! Spend a few days at Camp to experience the fun and see what it is all about. You will receive extra attention so that your first camp experience is a positive one.

NOTE: This program runs Sunday - Tuesday. Pick-up is 6:00 pm on Tuesday. 1- 4 grade campers will participate in the indoor rock wall.

Forts,

Fantasy & Fun

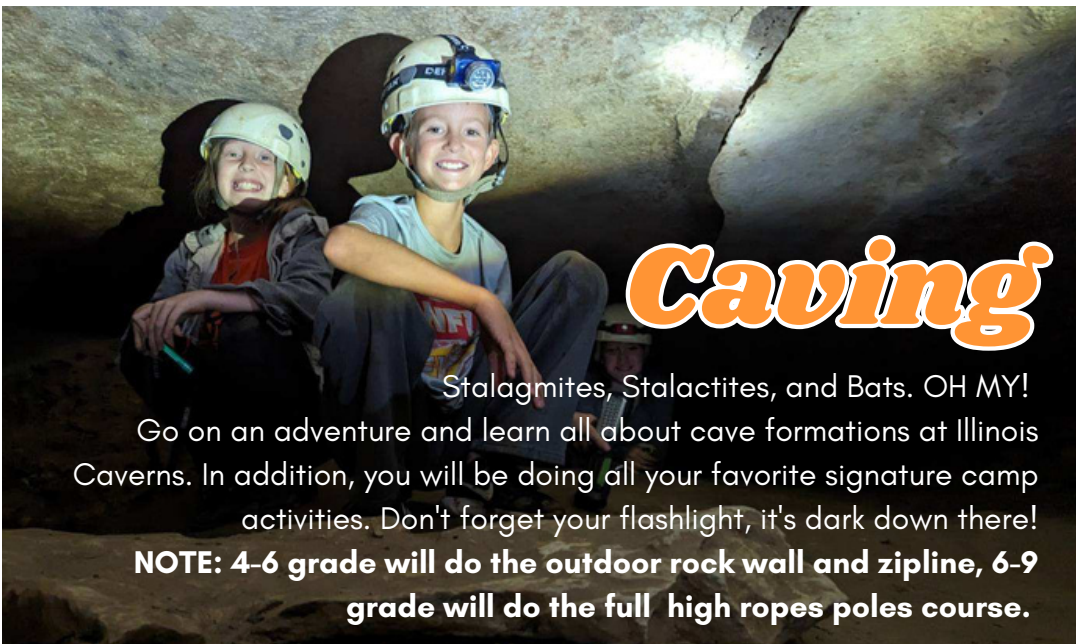

Join us for this popular week of wonder, excitement and creativity! Dress up like a knight, a princess or a superhero. Build a fort or "castle," or decorate a "pirate ship" and set sail! There are no limits to where your imagination could lead you!

NOTE: 1- 4 grade campers will participate in the indoor rock wall.

Wacky Water

Fun activities of every shape and size will take place all over Camp Wartburg. Make a splash in the pool, explore the creek, stay cool playing water games and visit a nearby water park. This is a great program for campers wanting to "beat the heat" and make a "splash" this summer.

NOTE: 1- 4 grade campers will participate in the indoor rock wall.

Caving

Stalagmites, Stalactites, and Bats. OH MY!

Go on an adventure and learn all about cave formations at Illinois Caverns. In addition, you will be doing all your favorite signature camp activities. Don't forget your flashlight, it's dark down there!

NOTE: 4-6 grade will do the outdoor rock wall and zipline, 6-9 grade will do the full high ropes poles course.

You are a spy with a mission! The details are top secret, but to complete it you need a code name and a disguise. Crack codes, show skills in tracking, question suspects, find buried treasure and enjoy other Camp activities while working undercover to complete your assignment. Will you succeed with your mission before time runs out?

NOTE: 4-6 grade will do the outdoor rock wall and zipline.

CAMP

Theater Arts

Be a star! Learn about acting, improv, set design and costumes. Take a trip to a local theater for a behind-the-scenes look at what goes into putting on a show, followed by an outdoor performance at The Muny. Then write a play of your own and perform for all of Camp!

NOTE: 6-9 grade will do the full poles course.

Night Owl

Are you a creature of the night? Sleep in the day and stay up all evening! Live your week as a nocturnal animal by the light of the moon. See a movie at the Skyview Drive-In theater, take a night ride on our zip line, go for late night pizza at Imo's Pizza and ice cream at Oh Sugar . Experience what happens at Camp when everyone else is asleep. Don't forget your flashlight!

NOTE: 6-9 grade will do the full high ropes poles course.

Day Camp

Unsure if your child is ready for overnight camp? Consider joining us for a day, week or multiple weeks of Day Camp. For more information check out our website, or contact Faith Morris at faith_morris@lcf.org or 618-939-7715 ex. 1.

Fishing

Do you have any good fishing stories to tell? Come to Camp Wartburg and create some new ones! Bring along your own fishing gear and learn how to bait and cast and how to use lures. Campers will fish at Camp and other ponds in the area, learn to clean and cook fish over a fire and sleep in our treehouses.

NOTE: 4-6 grade will do the outdoor rock wall and zipline, 6-9 grade will do the full high ropes poles course.

Explorers

Adventure is out there! Campers stay on-site, with something new to discover each day. Adventures include fire-building, playing games, swimming, hiking, canoeing, orienteering, creek walking and so much more.

NOTE: 4-6 grade will do the outdoor rock wall and zipline, 6-9 grade will do the full high ropes poles course.

Rocks, Ropes & Rappelling

Challenge yourself in the adventure program that will take you to new heights. Build skills and confidence on the High Ropes course, then spend a day rappelling and rock climbing at Giant City. Accept the challenge and join us on higher ground! Participants will be staying in our treehouses.

NOTE: 6 - 9 grade will do the full high ropes poles course.

Survival

Learn survival skills and put them to the test. Canoe on the Kaskaskia River, cook many of your own meals over an open fire, learn orienteering and stay in our treehouses. Learning outdoor skills is an important focus of this experience.

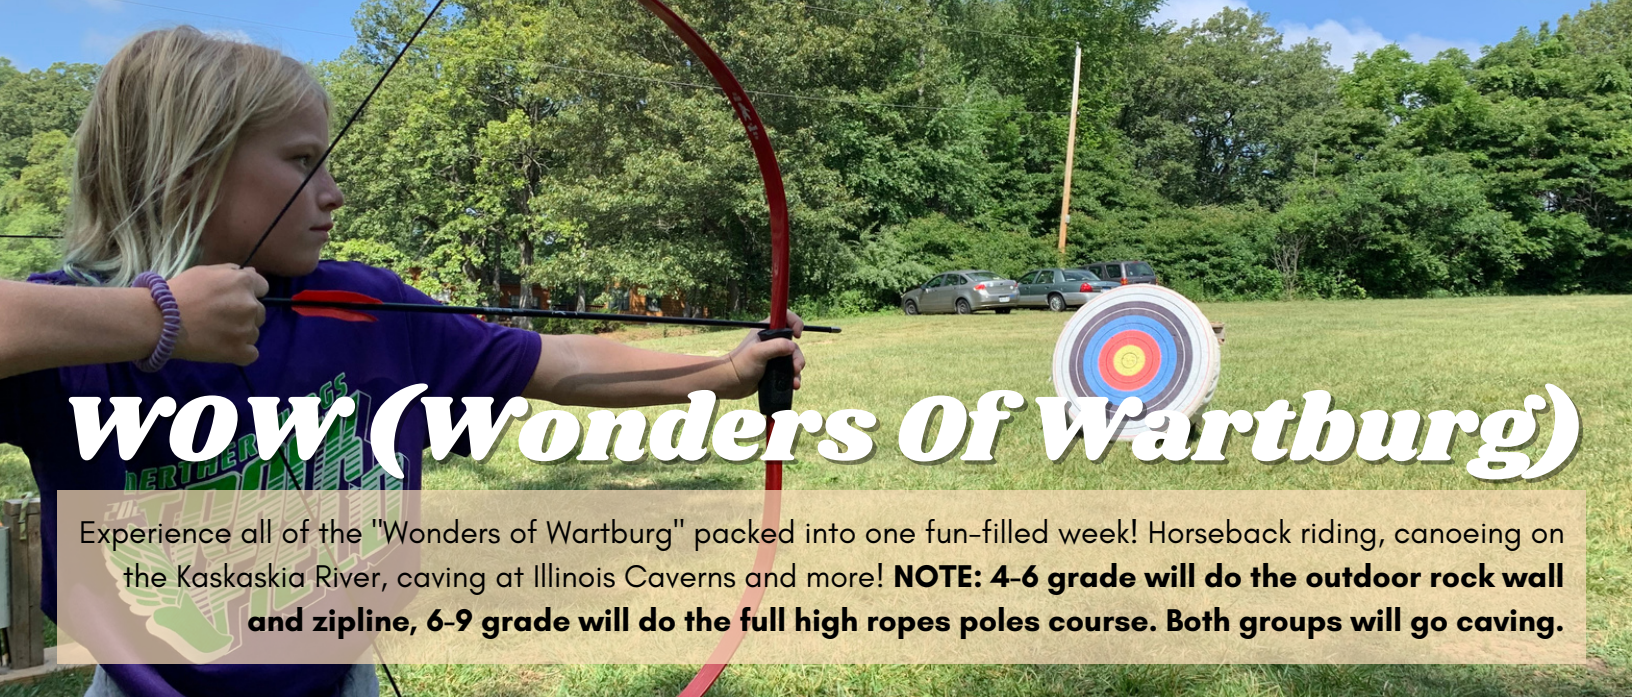

NOTE: 4-6 grade will do the outdoor rock wall and zipline, 6-9 grade will do the full high ropes poles course.

Small Chefs

Campers spend the week learning the basics of cooking in a camp setting, from basic fire building and safe food handling, to spices and baking. At the end of the week, the campers become "contestants" in their very own cook-off! Whether there's a burning passion for cooking, or they wish to pick up a few new tricks and have fun while doing it, Small Chefs will "cater!"

NOTE: 4-6 grade will do the outdoor rock wall and zipline

wow (Wonders Of Wartburg)
