Parking can be found in designated areas around each of our retreat cabins. There is additional parking available at Negwer Family Center.

Please do not park on the road or in the grass.

SAFETY AND FIRST AID

It is highly recommended that groups consider background checks for those supervising youth during visits. Camp Wartburg also recommends training to minimize the potential risk of any one-on-one camper/personnel situations.

It is highly recommended that a member of your group be certified in First Aid and CPR. We strongly encourage each group to be responsible for their own First Aid and emergency transportation. First Aid kits and emergency phone numbers are located under the sinks in every cabin and the Camp office. All medications should be stored under lock and key, unless being administered.

For safety reasons during your stay, your group leader should file the following written information with the Camp office:

- a.) Names, addresses, and emergency contacts (names and numbers) for all participants.
- b.) A listing of any persons with known allergies or health conditions requiring treatment, restrictions, or other accommodations while on site.
- c.) For minors without a parent on site, a signed permission to treat form should be filled out.
